

## **Programme d'Achats Privilège Plus**

### **1. Rebates**

- 1.1 The rebates will be payable to the member of the Program (PAPP) quarterly, 60 days following the dates of March 31, June 30, September 30, and December 31 of each year, calculated according to their volume of purchases made at the accredited distributor(s) for each period.
- 1.2 The member of the Program (PAPP) obtaining a net quarterly rebate of less than **\$10** will see this amount deferred to the next rebate payment.
- 1.3 Members of the Program (PAPP) who have not collected their rebate after a period of three months will receive a notice by telephone. Depending on the information provided, the rebate check may be reissued. If the rebate has been received and has still not been cashed after an additional period of three months, the check will be canceled and the amount will be automatically forwarded to the Fondation ARQ account.

### **2. Management fees**

- 2.1 In consideration of the member's operating months, a fixed monthly management fee of \$10 plus taxes will be charged from the date of joining the Program (PAPP). These sums will be deducted automatically from the quarterly rebate amounts paid to the member.
- 2.2 A member who has not reached the minimum rebate sum required for the payment of management fees for a given quarter will see the unpaid fees deducted from the next rebate payment. After two (2) consecutive quarters of non-payment in full of the amount of the management fees, the ARQ reserves the right to exclude the member from the Program (PAPP).

### **3. Withdrawal/Exclusion**

- 3.1 The member may voluntarily withdraw from the Program (PAPP) by informing the ARQ with a written notice. Their participation will end on the last day of the next discount period as established in clause 3.1. The amounts of rebates due will be forwarded to it for the period incurred following the validation of the purchases by the administration of the Program (PAPP).
- 3.2 The ARQ reserves the right to exclude, by a written notice, a participating member who contravenes the conditions and commitments of the Program (PAPP). The exclusion will take effect on the first day of the month following the issuance of the written notice. However, the member will receive the rebate amounts to which he is entitled until the date of exclusion from the Program (PAPP).

### **4. Transfert // Transfer**

- 4.1 The Program (PAPP) applies only to the establishment whose delivery address is affiliated with the member file and is not transferable from one establishment to another.

The member agrees that the ARQ may, following a decision by its Board of Directors, add, modify, or eliminate the preceding clauses and that the modifications will come into effect immediately. The ARQ member will be duly informed of the change.
